1. INTRODUCTION

On 19 August 2019, the Company obtained a general mandate from its shareholders for the Company and its subsidiaries to enter into RRPT based on normal commercial terms which were not more favourable to the Related Parties than those generally available to the public and which were necessary for Perstima Group's day-to-day operations.

The said general mandate for RRPT shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming AGM unless authority for its renewal is obtained from the shareholders of the Company at the forthcoming AGM.

1. INTRODUCTION (*CONT'D*)

On 23 June 2020, the Board of the Company announced that the Company proposed to seek a renewal of the existing general mandate for the Group to enter from time to time into RRPT(s) which are necessary for the Group's day-to-day operations and are carried out in the ordinary course of business.

THIS CIRCULAR SERVES TO PROVIDE YOU WITH THE DETAILS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE, TO SET OUT YOUR BOARD'S RECOMMENDATION AND TO SEEK YOUR APPROVAL FOR AN ORDINARY RESOLUTION TO BE TABLED AT THE FORTHCOMING AGM UNDER THE AGENDA OF SPECIAL BUSINESS, THE NOTICE OF WHICH IS SET OUT IN THE ANNUAL REPORT OF THE COMPANY FOR THE FINANCIAL YEAR ENDED 31 MARCH 2020.

SHAREHOLDERS ARE ADVISED TO READ THE CONTENTS OF THIS CIRCULAR CAREFULLY BEFORE VOTING ON THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE.

2. PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

In the ordinary course of business, Perstima Group has entered into certain RRPT(s) and will continue to enter into the RRPT(s) which are necessary for the day-to-day operations with different Related Parties, the particulars of which are set out in Section 3.2 of this Circular.

Accordingly, our Board proposes to renew its existing mandate from our shareholders for our Group to enter into RRPT(s) from the date of the forthcoming AGM to the next AGM pursuant to and in compliance with the conditions stated in Paragraph 10.09(2) Part E of Chapter 10 of the Listing Requirements.

An interested Director or Major Shareholder must ensure that Persons Connected with him abstain from voting on the resolution approving the transactions;
- (v) the Company shall make an immediate announcement to Bursa Securities when the actual value of the RRPT entered into by the Company, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and must include the information as may be prescribed by Bursa Securities in its announcement;
- (vi) the transactions are conducted on normal commercial terms;

3.3 Details of trade receivables

There were no amounts due and owing by the Related Parties to the Group pursuant to the RRPT as at the financial year ended 31 March 2020.

3.4 Procedure for determining transaction price

3.4.1 TMBP

The cost of TMBP constitutes approximately 80% of the production cost of tinplates and tin free steel produced by Perstima. The procedures for determining the price of TMBP are as follows:-

- (i) Perstima will obtain quotations from various sources on a quarterly basis; and
- (ii) Negotiations with shortlisted suppliers on, inter alia, of pricing will be carried out.

The purchase price of TMBP is negotiated between Perstima and the suppliers based on the prevailing market price at the time of negotiation.

3.4.2 Other raw materials

The procedures for determining the price of other raw materials are as follows:-

- (i) Perstima will obtain quotations from various sources in relation to the raw materials as and when these raw materials are required; and
- (ii) The Bid Committee of Perstima (“Bid Committee”) will then select the supplier based on factors such as price, quality, reliability and timing of delivery. The purchase prices of these raw materials are negotiated between Perstima and the suppliers based on the prevailing market prices at the time of negotiation. The Bid Committee consists of the senior management of the Company.

3.4.3 Plant and machinery

The procedures for determining the price of plant and machinery that the Company requires are as follows:-

- (i) Perstima will make an assessment of the required plant and machinery and will short list the possible suppliers or makers based on their technical capability to supply compatible or suitable plant and machinery as well as their past performance, if any, before a quotation is requested.
- (ii) These quotations will be reviewed and the eventual supplier will be selected based on the following factors:-
 - Technical specification compliance
 - Price
 - Quality
 - Timing of delivery

3.4.4 Timplates and tin free steel

The transaction prices, terms and conditions, are determined by market forces under similar commercial terms for transactions with third parties, including any discount given for bulk purchases. Alternatively, the selling price is in accordance with the applicable industry norm.

3.5 Procedure to ensure that the RRPT are undertaken on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders

- (a) In order to ensure that the RRPT are conducted at arms' length basis and on normal commercial terms and on terms which are not more favourable to the Related Parties than those generally available to the public and are consistent with the Perstima Group's usual business practices, the management will ensure that these RRPT will only be entered into after taking into consideration, inter alia, the pricing, quality of products, timing of delivery and level of service provided.

Wherever practical and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services will be used as comparison, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained (for instance, for transactions where it is vital that confidentiality is maintained or the nature of the scope of works involve multiple service providers) then the transaction price will be reviewed and determined by the Directors who has no interest in the transaction to ensure that the RRPTs are not detrimental to the Perstima Group.

Perstima, as an ISO 9001:2015 accredited company, has a standard procurement process to ensure the establishment of competitive and efficient purchasing policies. Perstima may, based on the following procedures, determine the terms of the RRPT:-

- (i) Purchasing procedures to ensure that products and materials purchased conform to the Company's requirements;
 - (ii) Suppliers evaluation to evaluate the performance of suppliers in relation to meeting the requirements of the Company;
 - (iii) Contract reviews to ensure competitiveness; and
 - (iv) Preparation of accurate and detailed contracts.
- (b) Where the RRPT is one with a value equal to or in excess of RM15,000,000, it will be reviewed and approved by the Directors of the Company who has no interest in the transaction. Where the RRPT is one with a value below RM15,000,000, it will be reviewed and approved by the Managing Director or Executive Director or the Board.

3.6 Statement by Audit Committee

The Audit Committee of the Company has seen and reviewed the terms of the Proposed Renewal of Shareholders' Mandate and is satisfied that the procedures for the RRPT are sufficient to ensure that those transactions are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. The Audit Committee is also of the view that Perstima Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner. The Audit Committee will review these procedures and processes at least once a year or whenever the need arises with the authority to sub-delegate such function to individuals or committees within the Company as it deems appropriate.

If the Audit Committee is not satisfied with the terms of the RRPT during periodic review, then a review of the Company's standard procurement procedures will be made to ascertain whether their application and compliance are met.

The names and positions of the Audit Committee members are set out in the table below:-

Name	Position in Audit Committee
Mastura Binti Mansor	Chairperson
Dato' Wee Hoe Soon @ Gooi Hoe Soon	Member

4. VALIDITY PERIOD

The Proposed Renewal of Shareholders' Mandate, if approved at the forthcoming AGM, will continue to be in force until:-

- (i) the conclusion of the next AGM of Perstima to be held in the year 2021 at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;

whichever is the earlier.

- a) The type of the recurrent transactions made; and
- b) The names of the related parties involved in each type of the recurrent transactions made and their relationships with Perstima Group.

5. RATIONALE AND BENEFIT

5.1 The Proposed Renewal of Shareholders' Mandate

The related party transactions envisaged in the Proposed Renewal of Shareholders' Mandate are in the ordinary course of business of Perstima Group and of a recurring nature. By obtaining the Proposed Renewal of Shareholders' Mandate and the renewal of the same on an annual basis, the necessity to announce and convene separate general meetings from time to time to seek shareholders' approval as and when such RRPT occur would not arise. This would reduce substantial administrative expenses associated with the convening of such meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to the Group.

5.2 The benefit to Perstima Group from transacting with the Related Parties

The RRPT(s) entered into by the Perstima Group are intended to meet business needs at the best possible terms. Perstima should be able to have access to all available markets, products and services provided by all vendors including its Related Parties. JFE Shoji and JFE Shoji Group are the best among the vendors that meet the Company's requirements and have a better understanding of the Company's business needs thus providing a platform where the Company can benefit from relatively cheaper transaction costs.

6. APPROVALS REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to approval to be obtained from the shareholders of the Company at the forthcoming AGM.

7. EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate is not expected to have any effects on the share capital, earnings, dividends, net assets, substantial shareholders and their respective shareholdings of the Company.

8. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS

JFE Shoji and JFE Steel Corporation are Major Shareholders of Perstima. JFE Shoji and JFE Steel Corporation shall abstain from voting, in respect of their direct interest and indirect interest on the resolution pertaining to the Proposed Renewal of Shareholders' Mandate at the forthcoming AGM.

JFE Shoji and JFE Steel Corporation have also undertaken to ensure that the Persons Connected to them in respect of their direct and indirect shareholdings, if any, will also abstain from deliberating, approving and voting on the resolution to be tabled at the forthcoming AGM.

8. DIRECTORS' AND MAJOR SHAREHOLDERS' INTERESTS (CONT'D)

Save for JFE Shoji and JFE Steel Corporation, none of the Directors and/or other Major Shareholders of Perstima and Persons Connected to them have any interest direct or indirect in the Proposed Renewal of Shareholders' Mandate.
